

# CANA VALENTINE'S DAY

## ACROSTIC

Each person writes an acrostic with their partner's name. Write the first name in capital letters vertically. Write horizontally from the letters of the first name. Write words that best describe my partner, or what I want to say to him/her...

Example with the first name Julia:

**J** for Joy

**U** for Understanding

**L** for Lively

**I** for Imaginative

**A** for Artist

It's your turn...
