

CANA VALENTINE'S DAY

WHICH OF US?

The aim of the "Which of us?" is to see if you agree with your partner on small everyday actions while having fun. The idea is to open up a dialogue on subjects that allow you to recall good memories / that you hold dear / or that seem important to you... And above all not to feel in competition or even to hurt your partner's feelings. It's all about teasing each other in a friendly way!
